Dear Supervisors:

**ISSUANCE AND SALE OF HERMOSA BEACH CITY SCHOOL DISTRICT
(COUNTY OF LOS ANGELES, CALIFORNIA)
ELECTION OF 2002 GENERAL OBLIGATION BONDS, SERIES 2005 B
(FOURTH DISTRICT) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of General Obligation Bonds of the Hermosa Beach City School District in an aggregate principal amount not to exceed \$4,020,599.35.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On May 11, 2005, the Board of Trustees of the Hermosa Beach City School District adopted a Resolution determining that the District needs to borrow funds in an aggregate principal amount not to exceed \$4,020,599.35 to be used for authorized purposes.

On November 5, 2002, an election was held whereby voters residing in the District approved a ballot measure authorizing the District to issue \$13,600,000 in general obligation bonds for various qualifying purposes. This will be the second and final issuance of bonds authorized under this bond measure.

Pursuant to Section 15140 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County following receipt of the District Resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Service Excellence by providing one-stop service delivery to the school district. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. It supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of general obligation bonds at a maximum average interest rate not to exceed seven and one-half percent (7.50%) per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of the bonds will be described in the Bond Purchase Agreement.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in the pricing of the bonds, to the Underwriters. The District has selected UBS Financial Services Inc. as Underwriter; the firm of Bowie, Arneson, Wiles & Giannone as Bond Counsel; and U.S. Bank National Association as Paying Agent.

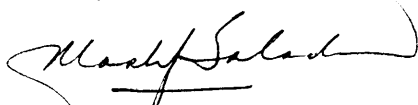

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

The monies in the Debt Service Fund, to the extent necessary to pay the Principal of, interest on and the Accreted Value on the Series B Bonds as the same becomes due and payable, shall be transferred by the Treasurer to the Paying Agent for subsequent disbursement to the beneficial owners of the Series B Bonds. The Debt Service Fund shall be administered by the County Auditor-Controller and shall be kept separate and distinct from all other District and County funds.

(c) Any excess proceeds of the Series B Bonds not needed for the authorized purposes set forth herein for which Series B Bonds are being issued shall, at the direction of the District, be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Series B Bonds. If, after payment in full of the Series B Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District to be applied in accordance with applicable law. The County shall have no obligation to ensure that excess proceeds, if any, are applied in accordance with the preceding two sentences. All proceeds of the Series B Bonds and interest earnings thereon shall be invested by the County, on behalf of, and pursuant to the written direction(s) of the District, in Authorized Investments.

(d) All proceeds of the Series B Bonds and interest earnings thereon shall be invested by the County, on behalf of, and pursuant to the written direction(s) of, the District, in Authorized Investments. Absent other written investment directions provided to the County from the District, the Treasurer shall invest monies in the Building Investment Fund and the Debt Service Fund pursuant to the State law and the investment policy of the County.

SECTION 11. Security for the Series B Bonds. Pursuant to the California Constitution, the Authorization and California law, there shall be levied by the County, pursuant to Education Code Sections 15250 *et seq.*, on all the taxable property in the District, in addition to all other taxes,

a continuing direct *ad valorem* tax annually during the period the Series B Bonds are Outstanding, commencing in Fiscal Year 2005/2006, in an amount sufficient to pay the Principal and Accreted Value of, and interest on, the Series B Bonds when due, which monies when collected will be placed in the Debt Service Fund, which Fund is irrevocably pledged for the payment of the Principal and Accreted Value of, and interest on, the Series B Bonds when and as the same fall due along with administrative costs and expenses for the Series B Bonds including fees and expenses of the Paying Agent.

The monies in the Debt Service Fund, to the extent necessary to pay the Principal and Accreted Value of, and interest on, the Series B Bonds as the same become due and payable, shall be transferred by the Treasurer, or his or her designee or deputy, to the Paying Agent who in turn, shall pay such monies to DTC to pay the Principal and Accreted Value of, and interest on, the Series B Bonds when due. DTC will thereupon make payments of Principal and Accreted Value of, and interest on, the Series B Bonds to the DTC Participants who will thereupon make payments of principal and Accreted Value and interest to the beneficial owners of the Series B Bonds. Any monies remaining in the Debt Service Fund after the Series B Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District pursuant to the Education Code Section 15235 or any successor section thereto.

SECTION 12. Payment of Principal and Interest. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Paying Agent. Interest on Current Interest Bonds shall be paid on each Bond Payment Date by check mailed by first class mail to the person in whose name the Bond is registered, and to that person's address appearing on the Bond Register (as described in Section 14 below) on the Record Date. The Owner of an aggregate Principal Amount or Maturity Value of \$1,000,000 or more may request, in writing, prior to the close of business on the fifteenth (15th) day of the month preceding each Interest Payment Date, to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date.

Payments of principal and redemption premiums, if any, with respect to the Current Interest Bonds, and the payments of Maturity Value and redemption premiums, if any, with respect to Capital Appreciation Bonds, shall be payable at maturity or redemption upon surrender at the office of the Paying Agent in Los Angeles, California or such other location as the Paying Agent shall designate to the County and the District in writing. In the event the Paying Agent shall provide written notice of a change in the location for payment of principal, redemption premiums and maturity value on the Series B Bonds, the Paying Agent shall thereafter provide notice of such change to the Informational Services and Securities Depositories of such change. The Paying Agent is hereby authorized to pay the Series B Bonds when duly presented for payment at maturity, and to cancel all Series B Bonds upon payment thereof.

The Series B Bonds are the general obligations of the District secured by *ad valorem* taxes levied and collected pursuant to the Authorization, the California Constitution and State law and do not constitute an obligation of the County except to provide for the levy and collection of the *ad*

valorem taxes and payment of funds to the Paying Agent as set forth in Section 11 hereof. No part of any fund of the County is pledged or obligated to the payment of the Series B Bonds.

SECTION 13. Redemption.

(a) **Optional Redemption.** The Series B Bonds shall be subject to optional redemption prior to maturity upon the terms and conditions set forth in the Purchase Contract as executed and delivered.

(b) **Mandatory Sinking Fund Redemption of Current Interest Terms.** The Current Interest Term Bonds, if any, are subject to mandatory sinking fund redemption prior to their maturity, by lot, without premium, on each August 1, in the years and in the amounts as set forth in the Purchase Contract and in the Official Statement. In the event that there are no Current Interest Term Bonds specified in the Purchase Contract, this subsection shall not apply.

(c) **Mandatory Sinking Fund Redemption of Capital Appreciation Term Bonds.** The Capital Appreciation Term Bonds are subject to mandatory sinking fund redemption prior to their maturity date from monies in the Debt Service Fund established in Section 10 hereof, by lot, without premium, on each August 1 (or other date specified in the Purchase Contract), in the years and in the amounts as set forth in the Purchase Contract and in the Official Statement described below. In the event that there are no Capital Appreciation Term Bonds specified in the Purchase Contract, this subsection shall not apply.

(d) **Selection of Bonds for Redemption.** Whenever less than all of the outstanding Series B Bonds are to be redeemed, the Paying Agent shall select the Series B Bonds to be redeemed in inverse order of maturity, and within a maturity, the Paying Agent shall select for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, and the portion of any Capital Appreciation Bonds to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value of such Capital Appreciation Bond. The Paying Agent shall promptly notify the District of the Series B Bonds so selected for redemption on such date.

(e) **Notice of Redemption.** Notice of redemption ("Redemption Notice") shall be mailed, first class postage prepaid, to the respective Owners of any Series B Bonds designated for redemption at their address appearing on the books required to be kept by the Paying Agent, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, which notice shall specify: (a) the Series B Bonds or designated portions thereof (in the case of redemption of the Series B Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Series B Bonds to be redeemed, (f) the serial or registration numbers of the Series B Bonds to be redeemed in whole or in part and, in the case of any Series B Bond to be redeemed in part only, the Principal Amount of such Series B Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity

date of each Series B Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Series B Bond or portion thereof being redeemed, the redemption price therefor, together with the interest accrued to the specified redemption date in the case of Capital Appreciation Bonds, and that from and after such date, interest with respect thereto shall cease to accrete in value.

In case of the redemption as permitted herein of all the Outstanding Bonds of any one maturity, the Redemption Notice shall be given by mailing as herein provided, except that the Redemption Notice need not specify the serial or registration numbers of the Series B Bonds of such maturity.

Neither the failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Series B Bonds or the cessation of accrual of interest represented thereby from and after the redemption date.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

- (i) At least thirty (30) but not more than forty-five (45) days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Series B Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.
- (ii) At least thirty-two (32) but not more than forty-five (45) days before the redemption date such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.
- (iii) At least thirty-two (32) days before the redemption date such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to send, to the Securities Depositories or Informational Services, any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Series B Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Series B Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(f) Payment of Redeemed Bonds. When a Redemption Notice has been given substantially as provided for herein, and, when the amount necessary for the redemption of the Series B Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Debt Service Fund, as provided herein, the Bonds designated for redemption shall become due and

payable on the date fixed for redemption thereof and upon presentation and surrender of said Bonds at the place specified in the Redemption Notice, said Bonds shall be redeemed and paid at the redemption price out of the Debt Service Fund.

All unpaid interest payable at or prior to the redemption date shall continue to be payable to the respective Owners, but without interest thereon.

(g) Partial Redemption of Bonds. Upon surrender of any Series B Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(h) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Series B Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Series B Bonds to be redeemed as provided in this Section 13, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Series B Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Series B Bonds shall be held in trust for the account of the Owners of the Series B Bonds so to be redeemed.

All Series B Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 13 shall be canceled upon surrender thereof. All or any portion of a Series B Bond purchased by the County or the District shall be canceled and destroyed by the Paying Agent and the Paying Agent shall provide a written certification of such cancellation and destruction to the District.

(i) Purchase in lieu of Redemption. In lieu of, or partially in lieu of, any mandatory sinking fund redemption of Series B Bonds, monies in the Debt Service Fund may be used to purchase the Outstanding Series B Bonds that were to be redeemed with such funds in the manner hereinafter provided. Purchases of Outstanding Series B Bonds may be made by the District or the County through the Paying Agent prior to the selection of Series B Bonds for redemption at public or private sale as and when and at such prices as the District may in its discretion determine but only at prices (including brokerage or other expenses) not more than par plus accrued interest. Any accrued interest payable upon the purchase of Series B Bonds may be paid from the Debt Service Fund for payment of interest on the next following Interest Payment Date.

(j) Bonds No Longer Outstanding. When any Series B Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution,

or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Series B Bonds or portions thereof, and, in the case of Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed outstanding and shall be surrendered to the Paying Agent for cancellation.

SECTION 14. Bond Registration; Transfers. As hereinafter provided, the Series B Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, deposited with DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Series B Bonds as provided in this Section ("Bond Register"). While the book-entry only system is in effect, such books need not be kept, as the Series B Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

The person in whose name a Series B Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and interest on any Series B Bond shall be made only to or upon the order of the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Series B Bonds, including interest, to the extent of the amount or amounts so paid.

Any Series B Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Any Series B Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants) be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his duly authorized attorney, upon surrender of such Series B Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Series B Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Series B Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Series Bonds issued upon any exchange or transfer shall be

valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Series B Bonds surrendered upon that exchange or transfer.

Any Series B Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be canceled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Series B Bonds that the District and the County may have acquired in any manner whatsoever, and those Series B Bonds shall be promptly canceled by the Paying Agent. Written reports of the surrender and cancellation of Series B Bonds shall be made to the District and the County by the Paying Agent and updated annually. The canceled Series B Bonds shall be destroyed by the Paying Agent in accordance with its procedures as confirmed in writing to the District.

Neither the District, the County nor the Paying Agent will be required to: (a) issue or transfer any Series B Bonds during a period beginning with the opening of business on the 16th day next preceding either any Interest Payment Date or any date of selection of Series B Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Series B Bonds which have been selected or called for redemption in whole or in part.

SECTION 15. Book-Entry System. Except as provided below, the owner of all of the Series B Bonds shall be The Depository Trust Company, New York, New York ("DTC" or "Depository"), and the Series B Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Series B Bonds shall be initially executed and delivered in the form of a single, fully registered Bond for each maturity (which may be typewritten). Upon initial execution and delivery, as provided for herein, the ownership of such Series B Bond shall be registered in the Bond Register in the name of the Nominee identified below as nominee of The Depository Trust Company, New York, New York, and its successors and assigns. Except as hereinafter provided, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section ("Nominee"). With respect to the Series B Bonds registered in the Bond Register in the name of the Nominee, neither the District nor the Paying Agent shall have any responsibility or obligation to any broker-dealers, banks and other financial institutions from time to time for which the Depository holds Series B Bonds as securities depository ("Participant") or to any person on behalf of which such a Participant holds an interest in the Series B Bonds. Without limiting the immediately preceding sentence, neither the District nor the Paying Agent shall have any responsibility or obligation (unless the District is at such time the Depository) with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Series B Bonds, (ii) the delivery to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event the District redeems the Bonds in part, or (iv) the payment to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Series B Bond is registered in the Bond

Register as the holder and absolute Owner of such Series B Bond for the purpose of payment of principal and interest with respect to such Series B Bond, for the purpose of giving notices of redemption, if applicable, and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Series B Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and interest on the Series B Bonds only to or upon the order of the respective Owner of the Bond, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Series B Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Series B Bond, as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest. Upon delivery by the Depository to the Owners of the Series B Bonds, and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Resolution shall refer to such nominee of the Depository.

In order to qualify the Series B Bonds for the Depository's book-entry system, the District is executing and delivering to the Depository a Representation Letter. The execution and delivery of the Representation Letter shall not in any other way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Series B Bonds other than the owners of the Bonds, as shown on the Bond Register. In addition to the execution and delivery of the Representation Letter, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Bonds for the Depository's book-entry program.

In the event: (i) the Depository determines not to continue to act as securities depository for the Bonds; or (ii) the Depository shall no longer so act and gives notice to the Treasurer and the District of such determination, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Bond, per maturity, registered in the name of such successor or substitute qualified securities depository or its nominee. If the Treasurer and District fail to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Nominee, but shall be registered in whatever name or names owners of the Bonds transferring or exchanging Bonds shall designate, in accordance with provisions of this Resolution, and the Treasurer, on behalf of the District, shall prepare and deliver Bonds to the owners thereof for such purpose.

In the event of a reduction in aggregate principal amount of Bonds Outstanding or an advance refunding of part of the Bonds Outstanding, DTC in its discretion, (a) may request the District to prepare and issue a new Bond or (b) may make an appropriate notation on the Bond indicating the date and amounts of such reduction in principal, but in such event the District records maintained by the Paying Agent shall be conclusive as to what amounts are Outstanding on the Bond, except in the case of final maturity in which case the Bond must be presented to the Paying Agent prior to payment.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Series B Bond is registered in the name of the Nominee, all payments with respect to principal of, and interest on such Series B Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository and acceptable to the District.

SECTION 16. Paying Agent.

(a) The Board does hereby appoint the Treasurer as Paying Agent for the Series B Bonds. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The District shall function as the dissemination agent and shall perform all duties and obligations as set forth in the Continuing Disclosure Certificate, as described in Section 19 hereof.

(b) In the event that the Paying Agent initially appointed resigns from service as the Paying Agent, the successor Paying Agent may resign from service as Paying Agent upon sixty (60) days' written notice to the Treasurer and may be removed at any time by the Treasurer. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a principal corporate trust office in Los Angeles, California, with at least \$50,000,000 in assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Series B Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or, if there is no successor, to the Treasurer. In the event that for any reason there shall be a vacancy in the office of the Paying Agent, the Treasurer shall act as such Paying Agent. The County shall promptly cause to be mailed, at District expense, the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the owners of the Series B Bonds, at the addresses appearing on the Bond Register, to the Informational Services and to DTC.

(d) Any company or association into which the Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company or association to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided that such company or association shall be eligible under Section 16(b), shall be the successor to the Paying Agent and vested with all of the title to the trust estate and all of the trust, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding. All costs associated with the Paying Agent's merger or consolidation with another bank or trust company shall be paid by the successor Paying Agent. No expense resulting from such merger or consolidation shall be billed to the District.

SECTION 17. Defeasance. The Series B Bonds may be defeased prior to maturity in the following ways:

(a) **Cash:** By irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Bonds Outstanding, including all principal and interest and premium, if any; or

(b) **United States Obligations:** By irrevocably depositing with a bank or trust company, in escrow, noncallable United States Obligations (as defined below), as permitted under Section 149(d) of the Code, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund, together with the interest to accrue thereon, be fully sufficient to pay and discharge all Series B Bonds (including all principal and interest represented thereby and redemption premiums, if any) at or before their maturity date.

then, notwithstanding that any Series B Bonds shall not have been surrendered for payments, all obligations of the District and the County with respect to all Outstanding Bonds shall cease and terminate, except for the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section 17, to the Owners of the Series B Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section 17, "United States Obligations" shall mean:

Direct and general obligations of the United States of America (including State and Local Government Series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidence of direct ownership or proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein: (a) a bank or trust company acts as custodian and holds the underlying United States Obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States Obligations; and (c) the underlying United States Obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claims of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's and "Aaa" by Moody's Investors Service.

For purposes of this Section 17, and Section 18, the escrow agent bank and verification agent shall be selected by the District in consultation with the County. Any escrow bank or trust company, other than the County, shall conform to the successor paying agent requirements of Section 16(b) hereof.

SECTION 18. Partial Defeasance. A portion of the then-Outstanding maturities of the Series B Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay the designated Outstanding maturities of Series B Bonds, including all principal and interest and premium, if any; or

(b) United States Obligations: by irrevocably depositing with a bank or trust company, in escrow, noncallable United States Obligations, as permitted under Section 149(d) of the Code, together with cash, if required, in such an amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon, be fully sufficient to pay and discharge the designated maturities of Series B Bonds (including all principal and interest represented thereby and redemption premiums, if any,) at or before their maturity date.

then, notwithstanding that any of such designated maturities of Series B Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to such Outstanding maturities of Series B Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section 18, to the Owners of the Series B Bonds of such maturities designated for redemption not so surrendered and paid, all sums due with respect thereto.

For purposes of this Section 18, United States Obligations shall have the same meaning as set forth in Section 5 hereof.

SECTION 19. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate (as defined below), which shall be executed by District and delivered at the time of delivery of the Series B Bonds. Notwithstanding any other provisions of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Series B Bonds; however, any underwriter or any holder or beneficial Owner of the Series B Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

"Continuing Disclosure Certificate" shall mean that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Series B Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

SECTION 20. County Books and Accounts. The Treasurer, the County and the Paying Agent will keep, or cause to be kept, proper books or record and accounts to record (i) the amount of taxes collected pursuant to Section 11 hereof, (ii) all deposits, expenditure and investment earnings on the Debt Service Fund and the Building Fund and any and all accounts or subaccounts thereof, and (iii) all transfers of funds for the payment of Principal, or Maturity Value of, or interest or redemption premiums on, the Series B Bonds. Such books of record and accounts shall, upon two days prior notice, at all times during business hours be subject to the inspection of the District, the Paying Agent (if other than the Treasurer) and the Owners of not less than ten percent (10%) of the

Principal amount of the Series B Bonds then Outstanding, or their representatives authorized in writing.

SECTION 21. Bond Insurance. In the event the District purchases bond insurance for the Series B Bonds, and to the extent that the Bond Insurer makes payment of the Principal or interest on the Series B Bonds, it shall become subrogated to the rights of such Owner of such Series B Bonds with the right to payment of Principal or interest on the Series B Bonds, and the rights of the Owners shall be fully subrogated to all of the Bond Insurer's rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the Bond Register upon receipt of a copy of the canceled check issued by the Bond Insurer for the payment of such interest to the Owners of the Series B Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the Bond Register upon surrender of the Series B Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer. In the event that the Bond Insurer requires additional agreements, covenants or conditions to the issuance of the bond insurance policy, the Designated Officer may deliver or agree to such; provided, however, that applicable law(s) shall be complied with and any such agreement, covenants or conditions shall be consistent with the provisions of the Resolution and shall be satisfactory to the Designated Officer.

SECTION 22. Official Statement. The District authorized and shall be responsible for preparing a preliminary and final Official Statement meeting the requirements of Securities and Exchange Commission ("SEC") Rule 15c2-12. Such preliminary Official Statement and final Official Statement are collectively referred to herein as the "Official Statement."

SECTION 23. Tax and Arbitrage Matters.

(a) The District has represented that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series B Bonds under Section 103 of the Code.

(b) The District has covenanted to restrict the use of the proceeds of the Series B Bonds in such manner and to such extent, if any, as may be necessary, so that the Series B Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and the applicable regulations prescribed under that section or any successor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

(c) The District, in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series B Bonds, has covenanted to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code, as set forth in the nonarbitrage (tax) certificate to be provided to the District by Bowie, Arneson, Wiles & Giannone, Bond Counsel, on the date of initial delivery of the Series B Bonds and incorporated herein by this reference as a source of guidance for compliance with such provisions.

(d) The District shall at all times do and perform all other acts and things necessary or desirable and within its powers to assure, for the purposes of California personal and Federal income taxation, that the tax-exempt status of the interest paid on the Series B Bonds to the recipients thereof will be preserved.

(e) Notwithstanding any other provision of this Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the above covenant, no person other than the owners of the Series B Bonds shall be entitled to exercise any right or remedy provided to such owners under this Resolution on the basis of the District's failure to observe, or refusal to comply with, the above covenant.

SECTION 24. Unclaimed Monies. Notwithstanding any of the foregoing provisions of this Resolution and subject to State law, any monies held by the Paying Agent for the payment of the Principal of, redemption premium, if any, or interest on the Series B Bonds remaining unclaimed for one year after the corresponding maturity or redemption date for such Series B Bonds shall be returned by the Paying Agent to the Treasurer, with any and all interest accrued thereon, for deposit into the Debt Service Fund. Notwithstanding any other provisions of this Resolution, any monies held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the Principal of, redemption premium, if any, or interest on Series B Bonds and remaining unclaimed for one year after the Principal of all of the Series B Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Series B Bonds, transferred to the General Fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, or Treasurer, as may be the case, before making such payment, shall cause notice to be mailed to the Owners of all Series B Bonds that have not been paid, by first-class mail at the addresses on the Bond Register, postage prepaid, not less than 90 days prior to the date of such payment.

SECTION 27. Amendments. The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

This offer is made subject to the written acceptance of this Purchase Contract by the County and the District and delivery of such acceptance to the Underwriter at its office prior to 11:59 p.m., California Time, on the date hereof.

Section 1. Purchase and Sale of the Bonds. (a) Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County, for reoffering to the public, and the County hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of the general obligation bonds captioned above in the original principal amount of \$_____ (the "Bonds").

(b) The Underwriter agrees to purchase the Bonds at a purchase price equal to \$_____ (which represents the aggregate principal amount of the Bonds (\$_____), plus a [net] original issue premium of \$_____, less an underwriter's discount of \$_____, and less \$_____ to be retained by the Underwriter to pay certain costs of issuance of the bonds, including the municipal bond insurance premium, as set forth in Section 14 of this Purchase Contract.

Section 2. The Bonds. (a) The Bonds shall be comprised of Current Interest Bonds and Capital Appreciation Bonds and shall be dated, shall bear interest at the rates, shall mature in the years, and shall bear interest on the dates, as set forth on Appendix A attached to this

Purchase Contract and incorporated herein by this reference. Certain provisions for the redemption of the Bonds not otherwise specified in the Bond Resolution are shown in Appendix A, all as provided in the Bond Resolution (defined below).

(b) The Bonds shall otherwise be as described in, and shall be issued and secured under, the Resolution of the District (Resolution No. 16:04/05) adopted on May 11, 2005 (the "District Resolution"), the Resolution of the County adopted on _____, 2005 (the "County Resolution" and, together with the District Resolution, the "Bond Resolution"), and Section 15266 and Sections 15100 et seq., of the California Education Code ("Act"), Article XIII A of the California Constitution, including the provisions of the Safer Schools, Small Classes and Financial Accountability Act (also known as "Proposition 39") and other applicable State law. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the County Resolution.

(c) The Series B Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Bond Resolution. The Series B Bonds shall be in book-entry form, shall bear CUSIP numbers, and shall be in fully registered form, initially registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York. The Series B Bonds shall initially be in authorized denominations of \$5,000 maturity value each or any integral multiple thereof.

(d) The Treasurer and Tax Collector of the County of Los Angeles ("Paying Agent") shall serve as the initial authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds.

(e) The payment of principal of and interest on (but not any prepayment premium on) the Bonds will be secured by a municipal bond insurance policy ("Insurance Policy") to be issued simultaneously with the issuance of the Bonds by _____ (the "Bond Insurer").

Section 3. Use of Documents. The District and the County hereby authorize the Underwriter to use, in connection with the offer and sale of the Bonds, the Purchase Contract, the Official Statement (defined below), and the Bond Resolution, and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriter in connection with the transactions contemplated by the Purchase Contract (except as such documents otherwise provide).

Section 4. Public Offering of the Bonds. (a) The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering prices or yields as set forth in Appendix A to this Purchase Contract. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering prices or yields as it deems necessary in connection with the marketing of the Bonds; provided that the Underwriter may not change the interest rates set forth in Appendix A. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.

(b) The Underwriter hereby represents to the District: (i) that as of the date of sale, all of the Bonds purchased were expected to be reoffered in a bona fide public offering; (ii) that as of the date of the certification, all of the Bonds purchased had actually been offered to the general public at the offering prices shown in Appendix A; and (iii) that the prices given in Appendix A are the maximum initial bona fide offering prices at which a substantial amount (at least 10%) of each maturity of the Bonds purchased was sold or reasonably expected to be sold to the general public.

Section 5. Review of Official Statement. (a) The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated _____, 2005 ("Preliminary Official Statement") or such other date as designated on behalf of the District by a party designated by the District ("District Official"). The District represents that it deemed the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), yield(s) to maturity, selling compensation, aggregate denominational amount and maturity value, denominational amount and maturity value per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended ("Rule").

(b) The Underwriter agrees that prior to the time the final Official Statement ("Official Statement") relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

(c) The Underwriter hereby represents that it will provide, consistent with the requirements of Municipal Securities Rulemaking Board ("MSRB") Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (a such term is defined in MSRB Rule G-11), and deliver a copy of the Official Statement to a national repository on or before the Closing Date, and that it will otherwise comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and 17 CFR Section 240.15c2-12, promulgated by the Securities and Exchange Commission ("Rule 15c2-12"). For purposes of this Purchase Contract, the "underwriting period" shall end on the date of Closing (as defined below) unless the Underwriter has notified the District and the County prior to the Closing date that the "underwriting period" will not end on the Closing date, in which case the Underwriter will notify the District and the County as soon as practicable after the "underwriting period" has ended.

(d) References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

Section 6. Closing. At 8:00 A.M., California Time, on _____, 2005, or at such other time or on such other date as shall have been mutually agreed upon by the District, the County and the Underwriter ("Closing"), the District or the County, as appropriate, will deliver to the Underwriter (except as otherwise provided in the Bond Resolution), at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as the parties may agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and at the offices of Bowie, Arneson, Wiles & Giannone ("Bond Counsel"), in Newport Beach, California, the other documents listed in Section 12(e) to be delivered by the District; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by check, draft or wire transfer to the County on behalf of the District, and deliver the other documents listed in Section 12(e) to be delivered by the Underwriter.

Section 7. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

(c) Consents. Except for the actions of the parties hereto, no consent, approval, authorization, order, filing, registration, qualification, election or referendum of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States of America as the Underwriter may reasonably request, or which have not been taken or obtained.

(d) Internal Revenue Code. The District has complied with the Internal Revenue Code of 1986, as amended, with respect to the Bonds.

(e) No Conflicts. To the best knowledge of the District the issuance of the Bonds, and the execution, delivery and performance of the Purchase Contract, the Bond Resolution, and the Bonds, and the compliance with the provisions hereof, do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(f) Litigation. As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending or, to the best knowledge of the undersigned officer on behalf of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the titles of the officials of the District who are required to execute any contracts, certificates, or official statements in connection with the delivery of the Bonds to their respective offices, or the powers of those offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy or collection of taxes of the District required to be collected and applied to pay the principal of and interest on the Bonds, or the application thereof, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Resolution, or the Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the performance of the District's obligations under the Bond Resolution, the Bonds, or hereunder, (b) declare the Purchase Contract to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the

interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(g) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor any other governmental agency or other body on behalf of the District, will have issued in the name and on behalf of the District any bonds, notes, or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(h) Continuing Disclosure. To assist the Underwriter in complying with S.E.C. Rule 15c2-12(b)(5), the District will undertake, pursuant to the Bond Resolution and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

(i) Certificates. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation by the District to the Underwriter, but not necessarily by the person signing the same, as to the statements made therein.

Section 8. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriter that:

(c) Consents. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, sale or delivery of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby. The County gives no representation or warranty with regard to compliance with Blue Sky or similar securities requirements.

(d) No Conflicts. To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Purchase Contract, the County

Resolution and the Bonds, and the compliance with the provisions hereof, do not conflict with or constitute on the part of the County a violation of or material default under the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution, and do not conflict with or result in a violation or breach of, or constitute a material default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) Litigation. As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending or, to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or of the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the issuance, sale or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Contract or the Resolutions or contesting the powers of the County or their authority with respect to the Bonds, the Resolutions or this Purchase Contract; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County related to the transactions contemplated by this Purchase Contract or the Resolutions, or (b) declare this Purchase Contract to be invalid or unenforceable in whole or in material part.

(f) No Other Debt. Between the date hereof and the closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(g) Certificates. Except as specifically provided, any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

Section 9. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the District that, as of the date hereof and as of the date of the Closing:

(a) The Underwriter is duly authorized to execute this Purchase Contract and to take any action under the Purchase Contract required to be taken by it.

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship, within the meaning of California Government Code Section 53590, or otherwise.

(d) The Underwriter has reasonably determined that the District's undertaking to provide continuing disclosure with respect to the Bonds pursuant to Section 12(e)(18) hereof is sufficient to effect compliance with the Rule.

Section 10. Covenants of the County and the District. The County and the District respectively covenant and agree with the Underwriter that:

(a) Securities Laws. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with, and at the expense of, the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

(b) Official Statement. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the 7th business day after the date this Purchase Contract is signed, and in sufficient time to accompany any confirmation that requests payment from any customer, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being called the "Official Statement") in such reasonable quantities as may be requested by the Underwriter in order to permit the Underwriter to comply with paragraph (b)(4) of the Rule and with the rules of the MSRB. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds.

(c) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which conforms with subsection (b)(4) of the Rule following the Closing.

(d) Amendments to Official Statement. For a period which conforms with subsection (b)(4) of the Rule after the end of the Underwriting Period (as determined in accordance with Section 5, hereof), the District will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriter shall reasonably object in writing or which shall be disapproved by the Underwriter; and if any event relating to or affecting the District shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, the Underwriter shall forthwith prepare and furnish (at the expense of the District) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

(e) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Bond Resolution.

mandatory sinking fund redemption shall be redeemed at the principal amount of such Bonds to be redeemed, plus accrued but unpaid interest, without premium.

Redemption Year	Principal Amount
_____	_____
_____	_____
_____	_____

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. If less than all of the Bonds shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by lot in any manner which the District in its discretion shall determine.

The Paying Agent shall give notice of the redemption of the Bonds at the expense of the District. Such notice shall specify: (a) that the Bonds or a designated portion thereof are to be redeemed, (b) the serial or registration numbers and CUSIP numbers, if any, of the Bonds to be redeemed, (c) the date of notice and the date of redemption, (d) the place or places where the redemption will be made, and (e) descriptive information regarding the issue of Bonds and the specific bonds redeemed, including the dated date, interest rate and stated maturity date of each. Such notice shall further state that on the specified date there shall become due and payable upon each Bond to be redeemed, together with interest accrued to said date, the redemption premium, if any, and that from and after such date interest with respect thereto shall cease to accrue.

Notice of redemption shall be registered or otherwise secured mail or delivery service, postage prepaid, to the registered owner of the Bonds, or if the original purchaser is a syndicate, to the managing member of such syndicate, to a municipal registered securities depository and to a national information service that disseminates securities redemption notices and, by first class mail, postage prepaid, to the District, the County and the respective owners of any registered Bonds designated for redemption at their addresses appearing on the bond registration books, in every case at least thirty (30) days, but not more than forty-five (45) days, prior to the redemption date; provided that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds, nor entitle the Owner thereof to interest beyond the date given for redemption.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th day of the month next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given, or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The rights and obligations of the District and of the Registered Owners of the Bonds may be amended at any time, and in certain cases without the consent of the Registered Owners to the extent and upon the terms and conditions provided in the County Resolution.

The County Resolution contains provision for the payment of the interest on, and the principal and premium, if any, of any of the Bonds so that the Bonds shall no longer be deemed to be outstanding under the terms of the County Resolution.

Reference is made to the County Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Registered owners, and the terms and conditions upon which the bonds are issued and secured. The owner of this bond assents, by acceptance hereof, to all of the provisions of the County Resolution.

IT IS CERTIFIED AND RECITED that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the Bonds has been received; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting ad valorem property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

This Bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the County Resolution until the Certificate of Authentication below has been signed.

IN WITNESS WHEREOF, the County of Los Angeles, California, has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signatures of the Chair of the Board of Supervisors and the Treasurer and Tax Collector of the County, and to be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto, all as of the date stated above.

(g) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor any other governmental agency or other body on behalf of the District, will have issued in the name and on behalf of the District any bonds, notes, or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

The County gives no representation or warranty with regard to compliance with Blue Sky or similar securities requirements.

(d) No Conflicts. To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Purchase Contract, the County Resolution and the Bonds, and the compliance with the provisions hereof, do not conflict with or constitute on the part of the County a violation of or material default under the Constitution of the State or any existing law, charter, ordinance, regulation, decree, order or resolution, and do not conflict with or result in a violation or breach of, or constitute a material default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Bond Resolution.

Section 11. Division of Responsibility Between District and County. (8) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect; or

If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The District shall clearly identify each such other document so included by reference.

Notwithstanding the foregoing, notice of Listed Events described in subsections (a)(8) and (9) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds pursuant to the Bond Resolution.

In lieu of filing the notice of Listed Event with each Repository in accordance with the preceding paragraph, the District or the Dissemination Agent may file such notice of a Listed Event with the CPO, with a copy to the Participating Underwriter and the District (if the Dissemination Agent is not the District).

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver either (i) is approved by holders of the Bonds in the manner provided in the Bond Resolution for amendments to the Bond Resolution with the consent of holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the first annual financial information filed pursuant hereto containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the District to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative. A notice of the change in the accounting principles shall be sent to the Repositories in the same manner as for a Listed Event under Section 5(c).

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Bond Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct.
